### **Introduction.**

The main text, like the author names used Times New Roman font, 14 point for the Author names and 11 point for the remainder of the abstract. Type or paste your text into this file. Paragraphs are justified (straight-edged) on both left and right.

### **Methods.**

Use single-line spacing and leave a line gap between paragraphs. This helps your text to be read easily. If you would like to insert a figure you can do so. Use the *insert picture* command and *paste special* as an enhanced metafile for ease of handling. Do remember to include a figure caption.

### **Results.**

The limit for your abstract is one page.

### **Conclusions.**

You can add a further section for references.
